INSTRUCTIONS TO CHANGE MEMBERS AREA PASSWORD

We have enabled a feature on both the main www.ipac-canada.org website, and on individual chapter websites, which will allow you to change your password(s), if you wish to do so.

It is important to note that the main IPAC Canada website and all Chapter websites operate independently of each other. Each has a separate login profile, although upon site launch the password assigned to you for both the main website Members Area and your chapter(s) Members Area were identical, for convenience.

Beginning today, you can change these passwords if you wish. Simply log in to the Members Area of your choosing (main site, or a chapter), and then click on 'Update My Profile' (main website) or 'Change My Password' (chapter websites).

We encourage you to choose a new password that is relatively strong, i.e. use both alpha and numeric characters. Memorize your new password/keep the information in a safe place.

Note that your **UserID** must remain as is (your email address); however if your email address changes in future, let us know, and we can change that for you in the system.

Contact us at any time if you have any questions: membership@ipac-canada.org.

To log in, click on members area

The screenshot shows the top navigation bar of the IPAC/PCI website. On the left, there is a 'Select Language' dropdown menu and social media icons for Facebook, Twitter, and LinkedIn. The main navigation menu includes 'MEMBERS AREA', 'RESOURCES A-Z', 'SITE MAP', and 'CHAPTERS'. A large red arrow points from the center of the page towards the 'MEMBERS AREA' button. Below the navigation bar is the IPAC and PCI logo, with 'ipac Infection Prevention and Control Canada' and 'pci Prévention et contrôle des infections Canada'.

Below the logo is a secondary navigation bar with links: Home, About, Conferences / Education, Membership, Inside IPAC Canada, Resources / Publications, and Members Area.

The main banner features a space-themed background with the text 'THE CORE OF INFECTION PREVENTION AND CONTROL' in large red letters. A button on the right says 'View the Ecolab Poster Contest Winner'.

At the bottom left, there is a search bar with the text 'SEARCH Search our site...'.
